## Parents As Partners Workshop

Dear Parents,

At GES Cairo we believe in **Parents as Partners**, whereby schools and families have essential roles to play in promoting children's positive development and academic performance. When educators and parents work together as partners, they create important opportunities for children to develop social, emotional, and academic competencies.

We will be delivering various informative academic and social topics workshops across the academic year 2022-2023 to increase parents' knowledge to assist in their children's learning journey.

You are invited to attend the first **Parents as Partners** workshop on Thursday December 1<sup>st</sup> at GES Cairo Theatre as follows:

- **Year 1** from **9:30 - 10:30 am.**
- **Year 2** from **10:30 - 11:30 am.**

Parents will enter and leave through Gate 6.
