

GULF ENGLISH SCHOOL CAIRO

Thursday, 15th October 2020

Dear Year 1 and Year 2 Parents,

We hope our letter finds you well and safe.

Below is a proposed schedule for the pupils to follow during their 'At Home' week in order to help them continue their 'In School' routine, organise their time, tasks and help them to be more independent in completing their work.

Together we can help in motivating them by following the instructions below:

1. If the pupil manages to follow the schedule independently, the parent can sign or grant them a sticker or star for following the schedule of the day.
2. If the pupil manages to follow the schedule independently for the whole week, please upload the schedule on google classroom with a message to their teacher, so they can be granted a certificate for their independent hard work.
