## Virtual Orientation Letter to Parents

Dear Parents,

We hope that you and your families enjoyed a fun and safe summer. We are excited and looking forward to meeting our new and returning pupils, and seeing our campus filled with their enthusiasm and laughter once again.

Given the current circumstances, having our induction orientation face-to-face will not be possible this year but fortunately, the wonders of technology allow us to provide you with a fully comprehensive virtual orientation. We hope our **video** and **information document** link will address all your queries.
