Dear Parents,

The French Cultural Centre (Centre Culturel Français) has confirmed that DELF Prim A1 exam will be held on Saturday September 12th, 2020 at **New Generation International School** ([location](#)) for the candidates who have already registered during the past academic year (2019-2020). Please note that candidates sitting for the DELF Prim A1 exam should:

- meet our GES Cairo representative at the exam venue at **09:00 am**
- must wear their school uniform
- bring their original computerised birth certificate and a recent personal photo
- bring their candidate ID (To be collected from GES Cairo reception on Wednesday September 9th, 2020)
- wear a mask at all times within the venue
- bring their own mobile phone, blue pen, water bottle and snack (if they so desire)

Please note that parents are not allowed inside the exam venue. However, it is advisable that they wait for their children outside the venue to pick them up as soon as they are done, which may be earlier than anticipated in case the number of candidates is less than expected.
